MEMORANDUM FOR: Deputy Director for Administration

FROM: Chairman
CIA Training Selection Board

STAT

SUBJECT: Unique Funding of 1984 Brookings Institution Programs

1. The Brookings Institution has informed the Agency that beginning in April 1983, the lodgings and meals for each officer attending programs in Williamsburg, Virginia, will cost more than the currently allowed maximum domestic per diem rate.

2. Your approval is requested for granting us the authority to treat these expenses as part of the cost of training as opposed to per diem for the individual. The breakdown of costs would show up as "tuition \$ _____" and "other \$ _____" for the meals/lodgings on the Form 136--Request for Training at Non-CIA Facility. The Travel Order, Form 540B, would show the student entitled to mileage only with an Advance Amount to cover the "training cost" other than the tuition.
